

INTRODUCING

# GVL

By Erchonia®

The most **energetic** laser in the world.

Treat your chronic pain with this amazing technology.

The GVL by Erchonia unlocks all new potential for patients dealing with chronic pain. The clinical outcomes for GVL were **7x more effective** than LEDs and **100% more energetic** than infrared.

Enhance your performance and longevity with the first and only green & violet cold laser FDA cleared for pain relief.
