

LET IT SNOW & LET FAT GO

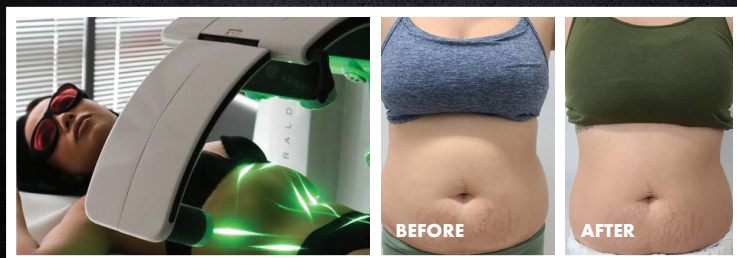

Winter is the perfect time to part ways with annoying and embarrassing fat pockets that have caused you grief for too long. With the non-invasive low-level Emerald Laser, our patients with BMIs <40 have been able to experience major results in just a few weeks.

For just a fraction of the cost of the high-dollar surgical procedures like liposuction or tummy tucks, our clients are raving about the budget-friendly Emerald Laser. Plus!

-  **30-minute treatment sessions**
-  **Walk in and out of appointments**
-  **No downtime for recovery**

Let the shame of unwanted fat melt away with the power of Emerald Laser.
